

**REMARKS**

The title has been amended to be in conformance with the English translation of the International Application.

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates. Also the specification is amended to correct informalities. A mark up copy and a clean copy of the substitute specification are provided.

Claims have been amended to correct informalities and to eliminate multiple dependency. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claims. No new matter has been added.

Abstract has been amended to conform to U.S. practice.

The claim fee was calculated based on the amended claims above. Please examine the application in view of the amendment set forth above.

Reconsideration of this application is respectfully requested. This is in response to the Notice of Non-Compliant Amendment mailed November 18, 2008. We resubmit the amendment of May 25, 2006 with the new claims not underlined. No new matter has been added by this amendment.

Dated: December 3, 2008

Respectfully submitted,
